Subject: Amendment in Environmental Clearance (EC) letter no.1524/SEIAA dated 30.06.2021 granted to the project of Polsara Kandal River sand Quarry under the provision of the EIA Notification 2006 - regarding

Sir/Madam,

This is in reference to your application submitted to SEIAA, Odisha vide proposal number SIA/OR/MIN/465863/2024 dated 13/03/2024 for grant of an amendment in prior Environmental Clearance (EC) to the project of Polsara Kandal River Sand Quarry over an area of 12.00 acres or 4.856 hectares in Village Polsara, Tahasil Niali, District Cuttack, State Odisha in respect to fixation of extraction quantity of sand based on the Annual Rate of Replenishment Study (ARRS) report and accordingly to allow further production of sand from the source under the provision of the EIA Notification 2006-and as amended thereof.

2. The particulars of the proposal are as below :

(i) EC Identification No.	EC24C0107OR5883161A
(ii) File No.	465863/98-MIN/03-2024
(iii) Clearance Type	Amendment in EC
(iv) Category	B2
(v) Schedule No./ Project Activity	1(a) Mining of minerals
(vii) Name of Project	POLSARA KANDAL RIVER SAND QUARRY , OVER AN AREA 12 AC./4.856 HT.
(viii) Location of Project (District, State)	CUTTACK, ODISHA
(ix) Issuing Authority	SEIAA, Odisha
(x) EC Date	13/03/2024
(xii) Applicability of General Conditions	NO
(xiii) Status of implementation of the project	

1. In view of the particulars given in the Para-1 above, the project proposal interalia including Form-4 (Part A, B & C) were submitted to the SEAC for an appraisal by the State Level Expert Appraisal Committee (SEAC) under the provision of EIA notification 2006 and its subsequent amendments thereto.
2. The above-mentioned proposal has been considered by SEAC in its meeting held on 05.10.2024. The minutes of the meeting and all the project documents are available on Parivesh portal which can be accessed from the Parivesh portal by scanning the QR Code above or through the following web link [click here](#).
3. The brief about the reasons for an amendment requested along with the brief on the salient features of the project as submitted by the project proponent in Form- 4 (Part A, B & C) and as presented before SEAC and the details of the amendment of EC are annexed as **Annexure- 2**.
4. The proposal was placed in the SEAC meeting held on 05.10.2024 under the provisions of EIA Notification 2006 and its subsequent amendments and after detailed deliberations in the matter and the SEAC SEAC decided to recommend the proposal as per the Replenishment Study Report with 8339.76 cum of sand subject to modification of Mining Plan.

5. The

1. MSEIAA, Odisha has examined the proposal in 180th meeting held on 05.12.2024 in accordance with the extant provisions of the Environment Impact Assessment (EIA) Notification, 2006 & further amendments thereto and based on the recommendations of the SEAC and hereby accords amendment in Environment Clearance issued vide EC letter no. 1524/SEIAA dated 30.06.2021 for the instant proposal Polsara Kandal River Sand Quarry to Smt. Bijayalaxmi Sahoo is **allowed** for extraction quantity of sand **8300 cum per annum** for the balance lease period under the provisions of EIA Notification, 2006 and as amended thereof subject to compliance of EC conditions, general instructions issued vide EC letter dated 30/06/2021 and following additional specific conditions as mentioned in **Annexure-1**.

Stipulations

Sl. Descriptions

Stipulation

- | | |
|--------------------------------|--|
| (i) Lease Area: | 12.00 Acres or 4.856 Ha. |
| (ii) No Mining Zone: | (i). The PP shall maintain safety and stability of Riverbanks i.e. 3 meter or 10% of river width whichever is more for protection of river bank and
(ii). 7.5-meter safety zone from all sides of lease boundary.
(iii). No stream should be diverted for the purpose of sand mining. No natural water course and/ or water resources are obstructed due to mining operations. |
| (iii) Maximum Depth of Mining: | 0.39 meter as per present ARRS report submitted by PP |
| (iv) Method of Mining: | Manual as per approved mining plan |
| (v) Permitted Quantity: | 8300 cum/annum with average depth of mining 0.39 meters for the rest of the lease period |
| (vi) Validity Period of EC: | The EC is valid upto the balance lease period subject to the quantity prescribed in the revised DSR or modified Mining Plan (approved by the competent authority) whichever is less. |
| (vii) ARRS report | The PP shall carry out the ARRS study through a NABET or ORSAC empanelled agency in subsequent year and submit to SEIAA, Odisha also the same to be included in the half yearly EC compliance be uploaded in Parivesh Portal which is mandatory. |

6. This issues with the approval of the Competent Authority.

Annexure 1

Standard EC Conditions for (Mining of minerals)

1. Statutory Compliance

S. No	EC Conditions
1.1	The Environmental clearance shall be subject to orders of Hon'ble Supreme Court of India, Hon'ble High Courts, NGT and any other Court of Law, from time to time, and as applicable to the project
1.2	The project proponent shall obtain Consent to Establish / Operate under the provisions of Air (Prevention & Control of Pollution) Act, 1981 and the Water (Prevention & Control of Pollution) Act, 1974 from the concerned State pollution Control Board/ Committee.
1.3	The maximum production of sand or peak production at any given time shall not exceed the limit as prescribed in the EC.
1.4	The EC is valid upto the balance lease period subject to the quantity prescribed in the revised DSR or modified Mining Plan (approved by the competent authority) whichever is less.
1.5	The EC is valid upto the balance lease period subject to the quantity prescribed in the revised DSR or modified Mining Plan (approved by the competent authority) whichever is less.

2. Air Quality Monitoring And Mitigation Measure

S. No	EC Conditions
2.1	Major approach roads shall be black topped and properly maintained.
2.2	The transportation of sand shall be carried out as per the provisions and route proposed in the approved mining plan. Transportation of the sand through the existing road passing through any village shall be avoided. In case, it is proposed to construct a 'bypass' road, it should be so constructed that the impact of sound, dust and accidents could be appropriately mitigated.
2.3	Vehicular emissions shall be kept under control and regularly monitored. All the vehicles engaged in mining and allied activities shall operate only after obtaining 'PUC' certificate from the authorized pollution testing centres.

3. Noise And Vibration Monitoring And Prevention

S. No	EC Conditions
3.1	The noise level survey shall be carried out as per the prescribed guidelines to assess noise exposure of the workmen at vulnerable points in the mine premises, and report in this regard shall be submitted to the Ministry/RO on six-monthly basis.

4. Mining Plan

S. No	EC Conditions
4.1	<p>No Working Zone: - The lessee shall ensure that no sand mining is carried out in the areas as specified below: -</p> <ul style="list-style-type: none">• During the rainy season;• Within the water channel or stream flow area throughout the year;• Mining shall not be undertaken in a mining lease located in 200-500 meter of bridge, 200 meter upstream and downstream of water supply/irrigation scheme, 100 meter from the edge of National Highway and railway line, 50 meter from a reservoir, canal or building, 25 meter from the edge of State Highway and 10 meter from the edge of other roads except on special exemption by the Sub-Divisional level Joint Inspection Committee.• The mining or any ancillary activity shall not in any way disturb the flow pattern of the river water during the non-monsoon period.• No stream shall be diverted for the purpose of sand mining and no natural water course shall be obstructed.• Sand mining operations shall not affect the existing sources for irrigation / drinking water / industrial purposes.• The natural sand dunes, if any, near or surrounding the lease area shall not be disturbed.
4.2	<p>Transport Safeguards:</p> <ul style="list-style-type: none">• No transportation of the minerals shall be allowed on any road passing through villages/habitations without prior explicit permission.• Transportation of minerals through existing rural roads can be allowed only by the concerned Govt. Department/ Gram Panchayat/BDO after required strengthening such that the carrying capacity of the road is increased to handle the mineral carrying truck traffic. The project proponent shall bear the cost towards the widening and strengthening of existing public roads in case the same is proposed to be used for the project.• Project proponents shall ensure that the transport of minerals will be as per IRC Guidelines with respect to complying with traffic congestion and traffic density.• Vehicles hired for transportation of minor minerals from the site should be in good condition and should have pollution check certificates and should conform to applicable air and noise emission standards and should be operated only during non-peak hours. Speed of vehicle be regulated and in no case >30 Kms / hr be allowed.

S. No	EC Conditions
	<ul style="list-style-type: none"> The vehicles shall not be overloaded and shall be covered with Tarpaulin. The Tahasildar/ Mining Officer may collect an appropriate additional road maintenance levy from the lessee as part of the lease conditions on the basis of quantum of mineral transported, and utilize the proceeds of the levy for proper maintenance of the extraction paths and roads to prevent their degradation on account of plying of mineral carrying trucks. Water spraying should be made on the village road to control particulate matter (dust particles) pollution in surrounding air during transportation from the quarry. Garland drain shall be constructed on the hill slope to arrest downward flow of particulate matter with rainwater.
4.3	Mining shall be carried out as per the approved mining plan approved by concerned Authority.
4.4	Efforts should be made to reduce energy and fuel consumption by conservation, efficiency improvements and use of renewable energy.

5. Land Recalvation

S. No	EC Conditions
5.1	The project proponent shall make necessary alternative arrangements, if grazing land is involved in core zone, in consultation with the State government to provide alternate areas for livestock grazing, if any. In this context, the project proponent shall implement the directions of Hon'ble Supreme Court with regard to acquiring grazing land.

6. Miscellaneous

S. No	EC Conditions
6.1	The project proponent shall make public the environmental clearance granted for their project along with the environmental conditions and safeguards at their cost by prominently advertising it at least in two local newspapers of the District or State, of which one shall be in the vernacular language within seven days and in addition this shall also be displayed in the project proponent's website permanently.
6.2	The copies of the environmental clearance shall be submitted by the project proponents to the Heads of local bodies, Panchayats and Municipal Bodies in addition to the relevant offices of the Government who in turn has to display the same for 30 days from the date of receipt.
6.3	The project proponent shall upload the status of compliance of the stipulated environment clearance conditions, including results of monitored data on their website and update the same on half-yearly basis.
6.4	The project proponent shall upload six-monthly reports on the status of the compliance of the stipulated environmental conditions on the website of the ministry of Environment, Forest and Climate Change at environment clearance portal.
6.5	Environmental Management Plan: EMP shall be implemented by PP to ensure compliance with the environmental conditions specified above. The year wise funds earmarked for environmental

S. No	EC Conditions
	protection measures shall be kept in a separate account and shall be spent according to the plan proposed in EMP. The PP will implement the EMP with a budgetary allocation mentioned during EC application Year wise progress of implementation of EMP shall be reported to the SEIAA, Odisha and OSPCB along with the compliance report. The Tahasildar/Mining Officer shall ensure the compliance of this condition along with all lease holders of his jurisdiction.
6.6	The project authorities must strictly adhere to the stipulations made by the State Pollution Control Board and the State Government.
6.7	The project proponent shall abide by all the commitments and recommendations made in the EMP report, commitment made during EC application.
6.8	No further expansion or modifications in the quarry shall be carried out without prior approval of the SEIAA, Odisha
6.9	Concealing factual data or submission of false/fabricated data may result in revocation of this environmental clearance and attract action under the provisions of Environment (Protection) Act, 1986.
6.10	The SEIAA, Odisha may revoke or suspend the clearance, if implementation of any of the above conditions is not satisfactory.
6.11	The SEIAA, Odisha reserves the right to stipulate additional conditions if found necessary. The Company in a time bound manner shall implement these conditions.
6.12	The compliance of EC conditions of said quarry shall be monitored by DEIAA, concerned lease granting Authority either Mining Officer or Tahasildar, RO, SPCB, Odisha and Integrated Regional Office of MoEFCC, Bhubaneswar as per MoEF & CC, Govt. of India S.O. 141(E) in EIA Notification dated 15.01.2016
6.13	The above conditions shall be enforced, inter-alia under the provisions of the Water (Prevention & Control of Pollution) Act, 1974, the Air (Prevention & Control of Pollution) Act, 1981, the Environment (Protection) Act, 1986, Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016 and the Public Liability Insurance Act, 1991 along with their amendments and Rules and any other orders passed by the Hon'ble Supreme Court of India / High Courts and any other Court of Law relating to the subject matter.
6.14	Compensation of the land acquired for the project shall be settled as per the R&R Policy. Adequate facility of drinking water, plantation and other social amenities should be provided to established R&R villages.
6.15	<p>Other Environmental Conditions: -The Project Proponent shall follow all the provisions of Sand Policy of Govt. Of Odisha dated 02.09.2021 for this sand mining project.</p> <ul style="list-style-type: none"> • The Tahasildar/ Mining Officer shall take adequate measures to prevent unauthorized mining; • The project proponent should carry out river bed sand mining manually by engaging local laborers to check over exploitation of sand at the source; • The lessee shall ensure safety of human life and livestock from accidents in case the village /

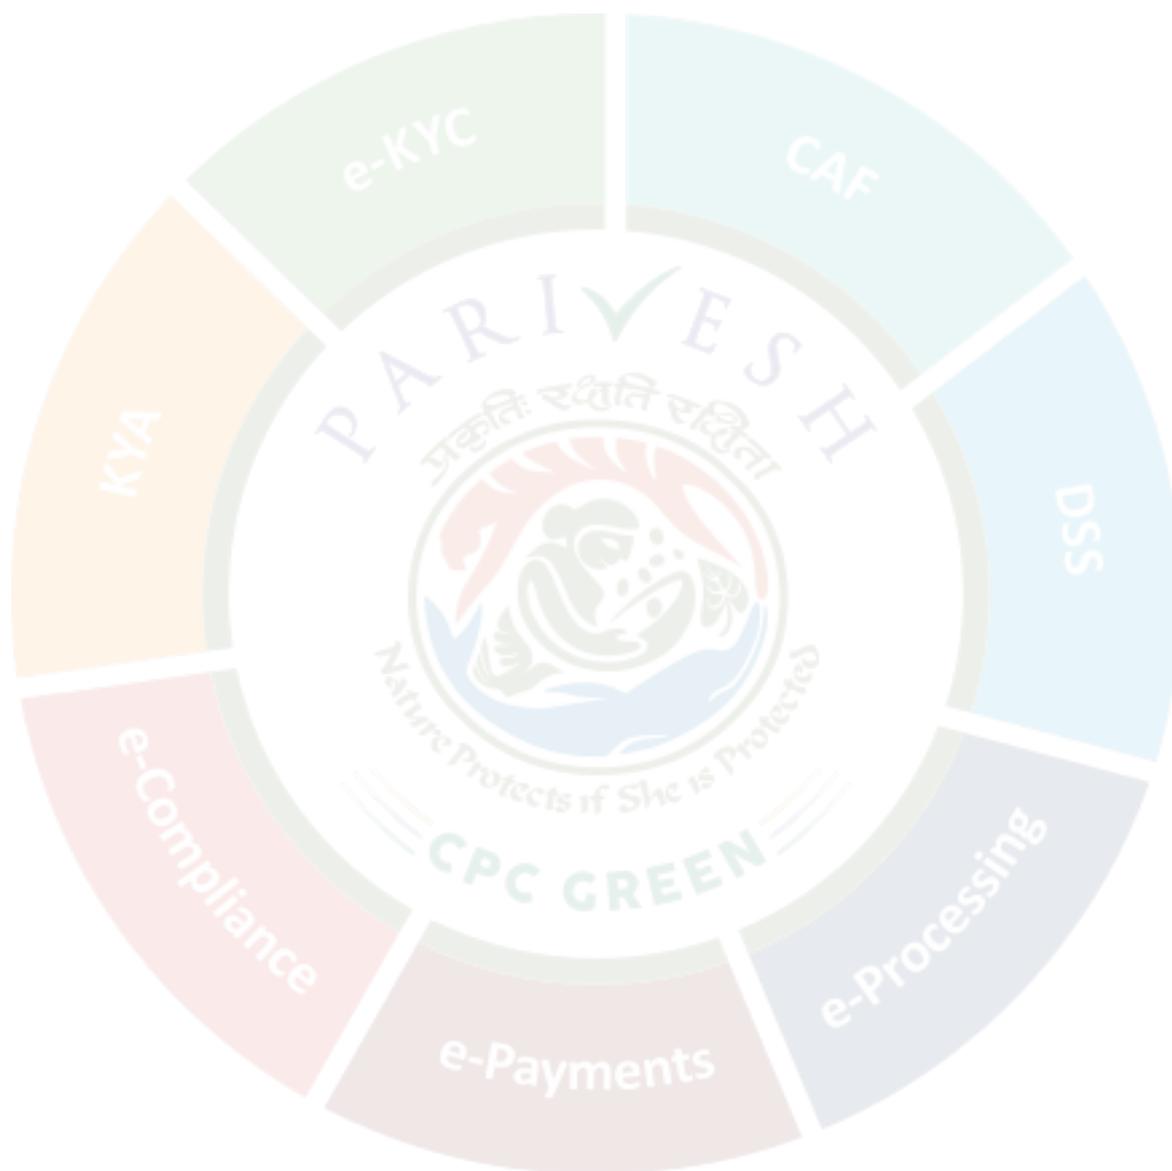

S. No	EC Conditions
	<p>any habitation is very near the mining lease area.</p> <ul style="list-style-type: none"> At the end of mine closure, the proponent shall immediately remove all the sheds put up in the quarry and all the equipment in the area before closure of the quarry.
6.16	<p>The illumination and sound at night at project sites disturb the villages in respect of both human and animal population. Consequent sleeping disorders and stress may affect the health in the villages located close to mining operations. Habitations have a right for darkness and minimal noise levels at night. PPs must ensure that the biological clock of the villages is not disturbed; by orienting the floodlights/ masks away from the villagers and keeping the noise levels well within the prescribed limits for day light/night hours</p>
6.17	<p>Half-yearly Compliance Report: -It shall be mandatory for the project management to submit half yearly compliance reports on the status of implementation of the above stipulated environment. The project authority is mandatory to upload the compliance report of EC conditions including results of monitored data, as applicable in the website of the Ministry for monitoring of EC Conditions. No hard copy and soft copy required to submit to SEIAA, Odisha, failing which EC is liable to be revoked.</p>
6.18	<p>Concomitant Monitoring: - The conditions stipulated in the environmental clearance will be closely monitored on the ground by the lease granting authority, i.e. the Tahasildar/mining officer, who shall ensure compliance of the stipulated conditions and take corrective measures promptly in case of any non-compliance and also ensure that the project proponent submits half yearly compliance reports</p>
6.19	<p>Independent Monitoring: -The concerned Regional Office of the MoEF & CC/ SPCB, Odisha shall periodically monitor compliance of the stipulated conditions as applicable for this project. The project authorities should extend full cooperation to the MoEF & CC officer(s)/SPCB officer(s) by furnishing the requisite data / information / monitoring reports.</p>

Additional EC Conditions

- The replenished quantity of sand **8300 cum/annum** as per ARRS report is approved for the remaining lease period.
- The EC is valid for the balance lease period subject to the quantity prescribed in the modified DSR or revised Mining Plan whichever is less.
- The PP is required to carry out the Annual rate of replenishment study (ARRS) through ORSAC empanel agency in subsequent years and submit the report to SEIAA, Odisha.
- The PP shall implement the EMP with a budgetary allocation as proposed in the EMP report during EC application.
- The PP shall plant **100 nos.** of tree species like Banyan (*Ficus benghalensis*), Peepal(*Ficus religiosa*), Neem (*Azadirachta indica*), Jamun(*Syzygium cumini*), Mango(*Mangifera indica*), Karanj(*Pongamia pinnata*), Arjun(*Terminalia Arjuna*), Jack fruit (*Artocarpus heterophyllus*), Siris (*Albizia lebbek*), etc.. as part of tree plantation campaign "**Ek Ped Maa Ke Naam**" and the details of the same shall be uploaded in the MeriLIFE Portal (<https://merilife.nic.in>).The PP shall submit the status of plantation during every six-months (06) compliance of EC conditions with geo-coordinating photographs.
- The compliance of EC conditions of said quarry shall be monitored by DEIAA, concerned lease granting Authority either Mining Officer or Tahasildar, RO, SPCB, Odisha and Integrated Regional Office of MoEFCC, Bhubaneswar as

per MoEF & CC, Govt. of India S.O. 141(E) in EIA Notification dated 15.01.2016.

7. The Project Proponent shall uploaded/submitted six monthly EC compliance in the Parivesh Portal of MoEF & CC., Govt. of India only falling which the EC is liable to revoked.

1. Proposal in brief:

The highlights of the proposal as ascertained from the application and as revealed from proceedings/discussion held during the meeting of SEAC/SEIAA, are given as under.

- (i) This is a proposal for amendment of EC of Polsara Kandal River Sand Quarry over an area of 12.00 acres or 4.856 hectares in Village Polsara, Tahasil Niali, District Cuttack, State Odisha.
- (ii) The project proponent has obtained EC from SEIAA, Odisha vide EC letter no. EC Identification No. – 1524/SEIAA dated 30.06.2021 for Polsara Kandal River Sand Quarry over an area of 12.00 acres or 4.856 hectares in Village Polsara, Tahasil Niali, District Cuttack, State Odisha.
- (iii) During EC application the PP has submitted required documents along with mining plan where it is mentioned that mineable reserve of the proposed sand was 60000 cum with depth of sand deposition was 2.0 meter and proposed for annual extraction-12000 cum.
- (iv) The SEIAA allowed 12000 cum of sand for 1st year production with depth of mining 2.0 m.
- (v) There is an EC conditions point no. 9.1 to 9.2 in page no. 03 that “Pending carrying out of the study & submission of the report, this clearance is being granted in an adhoc manner and is liable to be revoked after one year i.e., after 15th October, 2022, if satisfactory replenishment study report is not submitted.”
- (vi) EC was transfer in favour of Smt. Bijayalaxmi Sahoo vide letter no.3619/SEIAA dated 18.12.2021.
- (vii) The PP has not mentioned the yearwise production details but the Mining Officer, Cuttack has mentioned that 802.5 cum of sand has been extracted from the source for the fincial year 2023-24.
- (viii) The PP has submitted replenishment study report was done by the M/s. TKS Consultancy Services and Appvision Consulting Services Pvt. Ltd. (ORSAC Empanelment Agencies) with mentioned that Pre-Monsoon sand volume = 36854 cum, post-monsoon sand volume = 57143.5 cum and quantity of sand replenished = **8339.76 cum** and proposed production is 29509.92 cum.
- (ix) Any deficiencies/omission have been noticed in the above documents- Nil

2. **Whether SEAC recommended the proposal** – The proposal was placed in the SEAC meeting held on 05.10.2024 and the SEAC decided to **recommend** the proposal as per the Replenishment Study Report with **8339.76 cum** of sand subject to modification of Mining Plan.
