**Subject:** Grant of EC under the provision of the EIA Notification 2006-regarding.

**Sir/Madam,**

This is in reference to your application for Grant of EC under the provision of the EIA Notification 2006-regarding in respect of project Malgaon P.P. Land Brick Earth Mining Permit Area submitted to State Environment Impact Assessment Authority (SEIAA) & State Expert Appraisal Committee (SEAC) vide proposal number SIA/AS/MIN/463104/2024 dated 28/03/2024.

2. The particulars of the proposal are as below :

(i) EC Identification No.	EC24C0108AS5228768N
(ii) File No.	SEIAA3744/2024
(iii) Clearance Type	EC
(iv) Category	B2
(v) Project/Activity Included Schedule No.	1(a) Mining of minerals
(vii) Name of Project	Malgaon P.P. Land Brick Earth Mining Permit Area
(viii) Name of Company/Organization	CHITTA PAUL
(ix) Location of Project (District, State)	KOKRAJHAR, ASSAM
(x) Issuing Authority	SEIAA
(xii) Applicability of General Conditions	yes
(xiii) Applicability of Specific Conditions	yes

In view of the particulars given in the Para 1 above, the project proposal interalia including Form-1(Part A and B) were submitted to the Ministry for an appraisal by the State Environment Impact Assessment Authority(SEIAA) & State Expert Appraisal Committee (SEAC) in the Ministry under the provision of EIA notification 2006 and its subsequent amendments.

The above-mentioned proposal has been considered by State Environment Impact Assessment Authority (SEIAA) & State

Expert Appraisal Committee (SEAC) in the meeting held on 06/04/2024. The minutes of the meeting and all the Application and documents submitted (viz. Form-1 Part A and Part B) are available on PARIVESH portal which can be accessed by scanning the QR Code above.

The brief about configuration of plant/equipment, products and by products and salient features of the project along with environment settings, as submitted by the Project proponent in Form-1 (Part A and B) /EIA & EMP Reports/presented during SEIAA are annexed to this EC as Annexure (1).

The SEIAA, in its meeting held on 06/04/2024, based on information & clarifications provided by the project proponent and after detailed deliberations recommended the proposal for grant of EC under the provision of EIA Notification, 2006 and as amended thereof subject to stipulation of specific and general conditions as detailed in Annexure (2).

The SEIAA has examined the proposal in accordance with the Environment Impact Assessment (EIA) Notification, 2006 & further amendments thereto and after accepting the recommendations of the State Environment Impact Assessment Authority (SEIAA) & State Expert Appraisal Committee (SEAC) hereby decided to grant EC for instant proposal of Shri Chitta Paul under the provisions of EIA Notification, 2006 and as amended thereof.

The Ministry reserves the right to stipulate additional conditions, if found necessary.

The EC to the aforementioned project is under provisions of EIA Notification, 2006. It does not tantamount to approvals/consent/permissions etc. required to be obtained under any other Act/Rule/regulation. The Project Proponent is under obligation to obtain approvals /clearances under any other Acts/ Regulations or Statutes, as applicable, to the project.

This issues with the approval of the Competent Authority.

The extraction of stone from the area within the limits of the GPS Co-ordinates as under:

**Longitude Latitude**

1. 90<sup>0</sup>17'30.56" E 26<sup>0</sup>14'53.81" N
2. 90<sup>0</sup>17'31.98" E 26<sup>0</sup>14'53.59" N
3. 90<sup>0</sup>17'32.00" E 26<sup>0</sup>14'52.24" N
4. 90<sup>0</sup>17'31.28" E 26<sup>0</sup>14'51.11" N

EC is approved for project area allotted 0.29 ha with the recommended quantity of 3,170 cu m in 1 (one) year subject to the terms and conditions laid down in the approved mining plan.

**Copy To**

1. The Joint Secretary, Ministry of Environment, Forest and Climate Change, Government of India, MOEF&CC, Indira Paryavaran Bhawan, Jorbagh Rd, New Delhi-110003.
2. The Secretary to the Govt. of Assam, Environment & Forest Department, Dispur, Guwahati-6 Cum Member Secretary, SEIAA, Assam for favour of kind information.
3. The P.C.C.F, HoFF, Govt. of Assam, Panjabari, Guwahati-37 for favour of kind information.
4. The Divisional Forest Officer, Parbatjhora Forest Division, Suparighat, Dist. Kokrajhar, BTR, Assam for information & necessary action to ensure that all **Specific Conditions & General Condition** are complied with.
5. The Integrated Regional Office, Ministry of Environment, Forest & Climate Change, 4<sup>th</sup> Floor, Housefed Building, G.S. Road, Rukminigaon, Guwahati-22 for kind information.
6. Office Copy.

**Annexure 1**

**Specific EC Conditions for (Mining Of Minerals)**

**1. Specific Conditions By Seac**

S. No	EC Conditions
1.1	<p>1. This is subject to the conditions that the proponent shall have to strictly follow all terms and conditions laid down in the approved mining plan;</p> <p>2. This is also subject to the conditions that: (a) mining shall be confined and limited to the area falling within the GPS coordinates and (b) the Proponent shall extract the approved quantity of mineral indicated herein with maximum mining depth of up to 2 ( two) meters only from the non-mined surface.</p> <p>3. That the Proponent shall also invariably obtain the copy of latest CTE/CTO from the PCB, Assam.</p> <p>4. That the Proponent shall strictly follow the <b>Zigzag</b> Technology for production of bricks.</p> <p>5. The Divisional Forest Officer shall ensure due vigilance in the mining area to avert any kind of irregularities / illegalities during the mining period.</p> <p>6. The DFO shall also ensure marking the boundary of the mining site on the ground fixing permanent concrete pillars, painted yellow with the Geocoordinates depicted there in on the pillars/posts, following the GPS coordinates mentioned in the approved mining plan.</p> <p>7. The Proponent further must ensure raising Green Belt around the premises in consultation with the DFO for planting of suitable evergreen species of plants all along the periphery of the plot of land which need to be uploaded in the PARIVESH portal.</p>

## 2. Standard Conditions

S. No	EC Conditions
2.1	<p><b><u>Air quality monitoring and mitigation measure</u></b></p> <p>1. Vehicular emissions shall be kept under control and regularly monitored. All the vehicles engaged in mining and allied activities shall operate only after obtaining 'PUC' certificate from the authorized pollution testing centres.</p> <p>2. The transportation of materials shall be carried out as per the provisions and route proposed in the approved mining plan. Transportation of the materials through the existing road passing through any village shall be avoided. In case, it is proposed to construct a 'bypass' road, it should be so constructed that the impact of sound, dust and accidents could be appropriately mitigated.</p> <p>3. Major approach roads should be properly maintained with dust suppression measures and the river bank in any case must not be damaged.</p> <p>4. Adequate number of Fog canon (mist sprayer) shall be installed to reduce the impact of air pollution at dust generating sources with time bound action plan.</p> <p><b><u>Corporate Environment Responsibility</u></b></p> <p>1. Self environmental audit shall be conducted annually. Every three years third party environmental audit shall be carried out.</p> <p>2. The company shall have a well laid down environmental policy duly approve by the Board of Directors. The environmental policy should prescribe for standard operating procedures to have proper checks and balances and to bring into focus any infringements/deviation/ violation of the environmental/forest/ wildlife norms/conditions. The company shall have defined system of reporting infringements/deviation/ violation of the environmental/forest /wildlife norms/conditions and/or shareholders/stake holders.</p> <p><b><u>Land Recalvation</u></b></p> <p>1. Native tree species shall be selected and planted over areas affected by subsidence.</p> <p><b><u>Mining Plan</u></b></p> <p>1. Efforts should be made to reduce energy and fuel consumption by conservation, efficiency improvements and use of renewable energy.</p> <p>2. No mining shall be carried out in forest land without obtaining Forestry Clearance as per Forest (Conservation) Act, 1980 and also adhering to The Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 read with provisions of Indian Forest Act, 1927.</p>

S. No	EC Conditions
	<p>1. Mining shall be carried out under strict adherence to provisions of the Mines Act 1952 and subordinate legislations made there-under as applicable.</p> <p>3. No change in mining method i.e. UG to OC, calendar programme and scope of work shall be made without obtaining prior approval of the Ministry of Environment, Forests and Climate Change (MoEFCC).</p> <p><b><u>Miscellaneous</u></b></p> <p>1. The above conditions shall be enforced, inter-alia under the provisions of the Water (Prevention &amp; Control of Pollution) Act, 1974, the Air (Prevention &amp; Control of Pollution) Act, 1981, the Environment (Protection) Act, 1986, Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016 and the Public Liability Insurance Act, 1991 along with their amendments and Rules and any other orders passed by the Hon'ble Supreme Court of India / High Courts and any other Court of Law relating to the subject matter.</p> <p>2. The illumination and sound at night at project sites disturb the villages in respect of both human and animal population. Consequent sleeping disorders and stress may affect the health in the villages located close to mining operations. Habitations have a right for darkness and minimal noise levels at night. PPs must ensure that the biological clock of the villages is not disturbed; by orienting the floodlights/ masks away from the villagers and keeping the noise levels well within the prescribed limits for day light/night hours</p> <p>3. The project authorities must strictly adhere to the stipulations made by the State Pollution Control Board and the State Government.</p> <p>4. The project proponent shall make public the environmental clearance granted for their project along with the environmental conditions and safeguards at their cost by prominently advertising it at least in two local newspapers of the District or State, of which one shall be in the vernacular language within seven days and in addition this shall also be displayed in the project proponent's website permanently.</p> <p>5. The copies of the environmental clearance shall be submitted by the project proponents to the Heads of local bodies, Panchayats and Municipal Bodies in addition to the relevant offices of the Government who in turn has to display the same for 30 days from the date of receipt.</p> <p>6. The project proponent shall upload the status of compliance of the stipulated environment clearance conditions, including results of monitored data on their website and update the same on half-yearly basis.</p> <p>7. The project proponent shall submit six-monthly reports on the status of the compliance of the stipulated environmental conditions on the website of the ministry of Environment, Forest and Climate Change at environment clearance portal.</p> <p>8. The project proponent shall submit the environmental statement for each financial year in Form-V to the concerned State Pollution Control Board as prescribed under the Environment (Protection) Rules, 1986, as amended subsequently and put on the website of the company.</p> <p>9. The project authorities shall inform to the Regional Office of the MOEFCC regarding commencement of mining operations.</p> <p>10. No further expansion or modifications in the plant shall be carried out without prior approval of the Ministry of Environment, Forests and Climate Change (MoEF&amp;CC). 1. Concealing factual data or submission of false/fabricated data may result in revocation of this environmental clearance and attract action under the provisions of Environment (Protection) Act, 1986.</p> <p>11. The Ministry may revoke or suspend the clearance, if implementation of any of the above conditions is not satisfactory.</p> <p>12. The Ministry reserves the right to stipulate additional conditions if found necessary. The Company in a time bound manner shall implement these conditions.</p> <p>13. The Regional Office of MoEF &amp; CC shall monitor compliance of the stipulated conditions. The project authorities should extend full cooperation to the officer (s) of the Regional Office by furnishing the requisite data / information/monitoring reports.</p> <p><b><u>Noise and Vibration monitoring and prevention</u></b></p> <p>1. Adequate measures shall be taken for control of noise levels as per Noise Pollution Rules, 2016</p>

S. No	EC Conditions
	<p>in the work environment. Workers engaged in blasting and drilling operations, operation of HEMM, etc shall be provided with personal protective equipments (PPE) like ear plugs/muffs in conformity with the prescribed norms and guidelines in this regard. Adequate awareness programme for users to be conducted. Progress in usage of such accessories to be monitored.</p> <p>2. The noise level survey shall be carried out as per the prescribed guidelines to assess noise exposure of the workmen at vulnerable points in the mine premises, and report in this regard shall be submitted to the Ministry/RO on six-monthly basis.</p> <p><b><u>Public hearing and Human health issues</u></b></p> <p>1. PP to take measure for installation of Renewable Energy sources in nearby area falling within 10 km radius</p> <p>2. PP must ensure an emergency action plan during pandemic in order to provide assistance to the nearby villages located within the 10 km radius buffer zone (If required)</p> <p>3. PP is asked to also identify the rural areas for installation of solar light with its maintenance within the study area of 10 km radius buffer zone with time bound action plan.</p> <p>4. Effective arrangement shall be made to provide and maintain at suitable points conveniently situated, a sufficient supply of drinking water for all the persons employed. Statutory compliance</p> <p><b><u>Statutory compliance</u></b></p> <p>1. The Environmental clearance shall be subject to orders of Hon'ble Supreme Court of India, Hon'ble High Courts, NGT and any other Court of Law, from time to time, and as applicable to the project</p> <p>2. The project proponent shall obtain Consent to Establish / Operate under the provisions of Air (Prevention &amp; Control of Pollution) Act, 1981 and the Water (Prevention &amp; Control of Pollution) Act, 1974 from the Pollution Control Board, Assam.</p> <p>3. The project proponent shall obtain clearance from the National Board for Wildlife, if applicable.</p> <p>4. The project proponent shall obtain forest clearance under the provisions of Forest (Conservation) Act, 1986, in case of the diversion of forest land for non-forest purpose involved in the project.</p> <p>5. Validity of EC is as per life of the mine mentioned in EC letter or 30 years as per EIA Notification, 2006 and its amendments therein</p> <p><b><u>Water quality monitoring and mitigation measures</u></b></p> <p>1. Monitoring of water quality upstream and downstream of river including ponds, lakes, tanks shall be carried out once in six months and record of monitoring data shall be maintained and submitted to the Ministry of Environment, Forest and Climate Change/Regional Office.</p> <p>2. The project proponent shall take all precautionary measures to ensure reverian/ riparian ecosystem in and around the coal mine upto a distance of 5 km. A revarian /riparian ecosystem conservation and management plan should be prepared and implemented in consultation with the irrigation / water resource department in the state government.</p> <p>3. The project proponent shall not alter major water channels around the site. Appropriate embankment shall be provided along the side of the river/nallah flowing near or adjacent to the mine. The embankment constructed along the river/nallah boundary shall be of suitable dimensions and critical patches shall be strengthened by stone pitching on the river front side, stabilized with plantation so as to withstand the peak water pressure preventing any chance of mine inundation.</p>
