1. In view of the particulars given in the Para 1 above, the project proposal interalia including Application for Amendment in EC were submitted to the SEAC, Odisha for an appraisal by the State Expert Appraisal Committee (SEAC) under the provision of EIA notification 2006 and its subsequent amendments.

2. The above-mentioned proposal has been considered in 189th Meeting of State Environment Impact Assessment Authority meeting held from 07/02/2025. Based on the recommendations of the State Expert Appraisal Committee, Odisha (SEAC, Odisha), information & clarifications provided by the project proponent and after detailed deliberations

the Authority decided “After detailed deliberation, the authority decided to reject the proposal as recommended by SEAC due to the following:- a) Production of sand from the quarry during the years 2021-2022, 2022-2023, 2023-2024 and 2024-2025 (Till end October 2024) to be ascertained by the mining officer concerned for ensuring compliances with the stipulated conditions of the EC grant order. b) No document could be found in support of the evidence that satisfactory replenishment study Page 173 of 194 reports have been submitted by the lessee in previous years as per the conditions stipulated in the EC grant transfer order. c) The RSR is not based on proper photogrammetry surveys. Also, the Authority observed that the KML file superimposed on the Google Earth Pro image clearly shows that the lease area is located less than 500 meter downstream from the nearest bridge.”

Therefore, the proposal for Amendment in EC is Rejected as per provision of EIA Notification, 2006 and as amended thereof.
