SEIAA REMARKS:

Earlier, the subject was placed in 780th authority meeting held on 18.12.2024 and 19.12.2024. The authority noted that the subject was appraised in 516th SEAC meeting held on 06.12.2024. SEAC has furnished its recommendations for granting Environmental Clearance subject to the conditions stated therein.

The authority, during deliberations called for the details stated therein. **In view of the reply furnished by the PP, the**

subject was again placed in this 805th Authority meeting held on 03.04.2025. The Authority noted the reply submitted by the Project Proponent, who provided the proposed year-wise development and production plan for the first five years. However, the PP did not submit the production plan for the second five-year period. After due deliberation, the Authority decided that the proponent's request cannot be processed unless or until the approved production plan is submitted. Hence, the authority decided to close and record this proposal.
