District - Sundargarh

Sub: Proposal for Amendment of EC of Goppur Sand Quarry over an area 11.50 acres or 4.653ha in Goppur village under Biramitrapur tahasil of Sundargarh district Odisha - reg.

Ref: Minute of 167<sup>th</sup> meeting of SEIAA held on 03.06.2024.

Sir,

In inviting a reference to the above cited subject, I am directed to inform you that the proposal was placed in the meeting of SEIAA held on 03.06.2024 for consideration of Amendment in EC. After detailed deliberation in the matter, the authority accepted the recommendation of SEAC and decided to reject the amendment in EC application due to the following reasons cited by the SEAC below:-

- (i) The RS is confusing and not given enough data on RL and how they are derived. It is also carried out by ZEOTA K which is not in the empaneled list.
- (ii) KML file shows sand is available.
- (iii) SEIAA permitted 1st year 4060 cum with submission of RS by 2021. PP has submitted in 2024 with study in 2023. So, production if done in 2022 and 2023 without RS is a violation unless permitted by SEIAA.
- (iv) Production of 2021, 2022 and 2023 are not known.
- (v) Replenishment Study Report is not satisfactory.

After detailed deliberation in the matter, the authority accepted the recommendation of SEAC and decided to reject the proposal for amendment in EC.

This is for your kind information.

Yours faithfully,
