Subject: Rejection of Environmental Clearance (EC) to the proposed Project under the EIA Notification 2006-
and as amended thereof -regarding.

Sir/Madam,

This is in reference to your application submitted to Ministry vide proposal number
SIA/OR/MIN/469522/2024 dated null for Rejection of prior Environmental Clearance (EC) to the
project under the provision of the EIA Notification 2006-and as amended thereof.

2. The particulars of the proposal are as below :

(i) EC Identification No.	EC24C0107OR5610472A
(ii) File No.	469522/174-MIN/04-2024
(iii) Clearance Type	Amendment in EC
(iv) Category	B2
(v) Project/Activity Included Schedule No.	1(a) Mining of minerals Khosada Sand Quarry is a sand mining project over an area 7.660 Acre / 3.10 Ha. located in Village at- Khosada, Tahasil- Mohana, District- Gajapati over an Plot No.- 231 & 263 and Khata No.- 26 in favor of Purna Chandra Nayak.
(vii) Name of Project	
(viii) Name of Company/Organization	PURNA NAYAK
(ix) Location of Project (District, State)	GAJAPATI, , ODISHA,
(x) Issuing Authority	SEIAA
(xi) Applicability of General Conditions as per EIA Notification, 2006	No

1. In view of the particulars given in the Para 1 above, the project proposal interalia including Application for
Amendment in EC- Form-4 were submitted to the SEAC, Odisha for an appraisal by the State Expert Appraisal
Committee (SEAC) under the provision of EIA notification 2006 and its subsequent amendments.

2. The above-mentioned proposal has been considered in 175th Meeting of State Environment Impact Assessment Authority meeting held from 22/10/2024 to 23/10/2024. Based on the recommendations of the State Expert Appraisal Committee, Odisha (SEAC, Odisha), information & clarifications provided by the project proponent and after detailed deliberations the Authority decided “After detailed deliberation, the authority accepted the recommendation of SEAC and rejected the amendment of EC application as the ARRS report is not acceptable due to following reasons:

1) The lease area is 3.1 ha and it consists of 2 separate patches for mining. The right patch covers entire river width for a length of 230m. It has 2 concave banks of length 100m. and eroding in nature as seen in kml file. In this patch viable mining could be done for an area of size 130mx20m. The left part consists of lease area covering river width and banks. One side is eroding bank and barring banks and safe distance of 7.5 m. from north bank minable area may be limited to size 170mx30m. 2)The depth of replenishment of sand as submitted by PP in RSR is 0.33m. Considering the site conditions, the PP needs to recalculate the mineable area after excluding the concave portions of lease area and resubmit the replenishment study report. ”

Therefore, the proposal for Amendment in EC is Rejected as per provision of EIA Notification, 2006 and as amended thereof.

3. The minutes of the meeting and all the Application and documents submitted are available on PARIVESH portal which can be accessed by scanning the QR Code above.

4. This issues with the approval of the Competent Authority.
