Deliberations of SEAC:

Committee found that in 500 meter cluster certificate mine lease is executed on 28/05/2018 which is after 09/09/2013 and the total cluster area including applied mines is 29.597 hectare. As per the Hon'ble NGT order dated 13.09.2018 in Para 22 following order is issued:-

"If a cluster or an individual lease size exceeds 5 Ha. the EIA/EMP be made applicable in the process of grant of prior

Environmental Clearance."

For preparing EIA/EMP report project proponent needs to apply in Parivesh Portal under TOR application but project proponent directly applied in Parivesh Portal under EC application. So the committee decided to reject / delist the present proposal and suggested to the Project Proponent to apply for the fresh TOR application.

Deliberations of SEIAA:

The Committee noted and found that the case was in category B-1 project. Hence the PP needs to apply afresh for TOR whereas the PP has applied in the Parivesh Portal for grant of EC directly.

SEIAA, Chhattisgarh unanimously accepted the recommendation of SEAC-2, Chhattisgarh and permitted to reject/delist the present proposal.
